PUBLIC PARTICIPATION during working sessions:

Members of the public may make comments and ask questions about items appearing on the “Consent Agenda” when they are presented.

While the commissioners are considering listed discussion topics, members of the public may be invited to participate because of a special knowledge the commission may need. Others may be recognized and permitted to participate at the discretion of the President.

All other comments from the public will be taken during the period set aside for “Comments from the Public” at the end of the meeting.

To be recognized, a member of the public should raise his or her hand and wait to be recognized by the President. These meetings are intended to be less formal than legislative sessions in order to permit some healthy give-and-take. Limited and civil discussions among the public and commissioners will be permitted by the President if he believes they are useful in exploring the topic. However, comments and questions should be kept brief and to the point.
