

## **PUBLIC NOTICE**

### **WATER SYSTEM TO BE FLUSHED IN RIO VISTA**

The St. Michaels Public Works Department will flush the water system in the Rio Vista and Bentley Hay area during the week of January 18-20, 2017. While flushing is in progress, customers may experience drops in water pressure or notice a rusty water color which will be most noticeable during normal working hours. The Public Works Department recommends that customers avoid doing laundry during this period and reduce the use of hot water. For more information call 410-745-9535.
