

Christopher B. Thomas
Candidate for St. Michaels Commissioner, May 2018

My wife, daughter, and I moved to St. Michaels in 2015. Since moving to town, my wife and I have become engaged in many aspects of the community; Rebecca joined the Jr. Women's Club, became the Event Chair for the St. Michaels Classic Motor Museum, and recently joined the board of Concours d'Elegance while I joined the St. Michaels Fire Department as a firefighter, recently became a trustee of the SMFD, and have volunteered with the Talbot Interfaith Shelter. We both own and operate businesses out of our home on Maple Ave. and absolutely love being a part of this vibrant and thriving community.

Professionally, I operate a media & event consulting company which develops video content for brands, designs event audiovisual installations, and staffs event spaces. I also own a small photography company and a recording studio in Boston, MA. While my work takes me all over the country, I spend a good amount of time in my home office on Maple Ave designing and working on projects. I have started and sold three businesses in ten years, using a skillset that I would apply to the town's operations. While my government experience is limited, I'm very comfortable working on complex, high-dollar projects with logistical hurdles and helped pass a balanced SMFD budget in my first year as trustee.

A vote for me is a vote for modern business experience to join the historical perspective that the commission already has. With that combination, I'll help to maintain the character of St. Michaels while looking out for the town's financial well-being.
