An action under this section shall be in addition to, and shall not prohibit, an action for nuisance, declaratory judgment and/or injunctive relief arising out of the same violation. Failure to pay the fines in full may result in the denial of future permits.

Violations and penalties related to noise associated with Public Events, are set out in Chapter §250-14 of the Town Code,

§ 216-9. Civil action.

The Town or any person adversely affected by the repeated or continued violation of this chapter may bring any civil action permitted by law arising from the facts constituting a violation of this chapter and, in addition thereto, may bring an action for declaratory judgment and/or to enjoin the continued violation of this chapter. No such declaratory and/or injunctive action may be brought until the person bringing such action has given written notice of the continued or repeated violation to the person against whom such action is to be brought, and a reasonable time has lapsed after such notice for the offending person to comply with this chapter. The Town shall be furnished written notice of the filing of any such injunctive action under this chapter, and if it so chooses, the Town may intervene in such action as a party thereto.
