

Public Notice
Town of St. Michaels
Water Quality Report

The Town of St. Michaels is pleased to announce that we have the results of the 2019 annual drinking water report. The report is designed to inform you of the quality of water and services that the Town delivers every day.

A copy of this report will be published in the Star Democrat on June 26, 2020, and is also available at the St. Michaels Town Office, 300 Mill Street, St. Michaels during normal business hours, posted at the St. Michaels Post Office and on the Town website www.stmichaelsmd.gov. Please call the Town Office at 410.745.9535 if you require any additional information.

By Authority of
The Commissioners of St. Michaels
