Waterways Management Advisory Board Tuesday, April 9, 2019 at 4pm Town Office

Call to order – John Marrah opened the meeting at 4:05pm.

Present: John Marrah, Mark Welsh, Roy Myers, Commissioner Mike Bibb and Planning and Zoning Officer Kymberly Kudla. Mark Van Fleet was not in attendance.

Approval of minutes:

Member Myers made a motion to approve the minutes as submitted of March 12, 2019 as submitted. The motion was seconded by Member Welsh and carried on a vote of 3:0 in favor.

Members reviewed the draft Grant application in detail. Member Marrah noted that Back Creek Park was made a part of the report, after some discussion members suggest including maps to identify the potential areas of flood and stormwater management. In conclusion, members felt that the major goal of the project is to prepare a flooding topography analysis of the waterways of St. Michaels and a stormwater management analysis.

Member Myers and Marrah agreed to draft a letter seeking the support from Talbot County, Johnny Mautz, Eastern Shore Land Conservancy, the Planning Commission and the Commissioners of St. Michaels.

Member Van Fleet arrived at 4:45.
