- Award of contract
- President Boos announced that the Town had recently received and opened bids for the demolition of the building at 800 S. Talbot Street. Mrs. Weisman said the Town had received four bids and the low bidder was Bryan Farm Excavation and Grading. Mrs. Weisman said the firm had excellent references, that staff supported their bid, and that they could begin work the Monday after Thanksgiving, completing work in two weeks. Commissioner Harrod asked why Bryan Farm's bid was so low compared to the others. Commissioner Bibb said a smaller company would likely have lower overhead and could do the work for less. Commissioner Boos said both he and Mrs. Weisman were satisfied with the company's answers to questions about process and willing to give them a chance since it was demolition and not construction. After some additional discussion, Commissioner Myers made the motion to accept the low bid of Bryan Farm Excavation and Grading in the amount of \$39,000. Commissioner Bibb seconded it. Commissioner Bibb then made a motion to amend the above motion to allow the Police and Fire Department to do a training seminar at the building on or before November 27th or, demolition subject to it being done by the 27th.
