CALL TO ORDER – Roy Myers opened the meeting at 4:03pm.

Present: Roy Myers, Mark Van Fleet, Dink Daffin, Mark Welsh and Zoning Officer Kimberly Kudla. John Marrah was not in attendance.

Member Van Fleet made a motion to approve the minutes of July 27, 2021, as submitted. Seconded by Member Myers and carried on a vote of 3:0 in favor.

Chairman Myers wished to clarify about the watermen's parking located at Harbor Road and the signage as stated in the minutes of August 10, 2021. He also summarized the discussion with MDE for Member Welsh who was not present at the meeting.

Member Van Fleet made a motion to approve the minutes of August 10, 2021, as submitted. Seconded by Member Myers and carried on a vote of 3:0 in favor.

Waterways Management Code Update discussion: Chairman Myers updated the Board on conversations he had with the Commissioners of St. Michaels about updates to Chapter 333 of the code pertaining to floating platforms and definitions. He noted a couple items that should be addressed:

- Floats would be considered structures and therefore would require MDE approval, town permits, could not be placed within town slips, not allowed in the harbor beyond harbor line, and could only be utilized for approved uses (i.e. no tiki bars, etc...).
- Clarification that boat lifts are mechanical.
- Update definitions for finger piers.

Member Welsh added that violations for unpermitted floats should be better addressed.

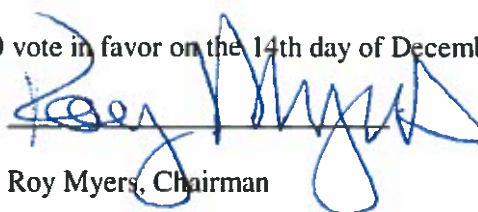

Discussion ensued on solutions for existing unpermitted structures within the waterways.

Slip signage: Member Van Fleet stated he has not had the chance to put together a proposal for the signage but will get back to the Board with that information.

Other Items: Members Van Fleet and Daffin inquired about the request previously sent to the Commissioners regarding a Waterman's parking sign for slip#19.

The meeting adjourned at 4:42pm.

Minutes approved as submitted by 4-0 vote in favor on the 14th day of December 2021.

Roy Myers, Chairman
