

RULES and REGULATIONS for the USE OF KAYAK/CANOE RACKS

All kayaks or canoes using town racks must be registered with the Town and have an assigned rack space. Kayaks/canoes shall not be chained to trees or left on the ground. Any vessel left on site without a permit shall be considered abandoned and removed by the Town and a fee assessed.

ALL KAYAKS/CANOES REQUIRE THE FOLLOWING:

- **Registration through the Town Office**
- **Rack assignment – assignment is for April 1st – December 31st**
- **All kayaks must be removed by December 31st of the current year**

All non-registered vessels will be considered abandoned and removed by the Town. Arrangements to pick up a removed vessel must be made through the Town Office at 410-745-9535. A storage fee will be assessed.

Assigned space on a kayak rack will again be done by lottery this year for 40 available spaces. The rental fee is \$35.00. Please make check payable to Town of St. Michaels and include with your application. Your check will be held until lottery day and only deposited if you are chosen for a space. Those not fortunate to receive a space will have their check returned. Two applications must be received if you are asking for more than one space, but will be considered together. We will do our best to accommodate requested placement (high or low) on the racks.

All applications for space must be received and postmarked no later than Friday, March 24, 2023. Lottery will be done on Friday, March 31, 2023. Please feel free to call the office after the 1st to confirm if you have a spot. A new sticker with your rack number and space number will be mailed to you.

Thank you and if you have any questions, please feel free to call Vickie Sharp at the Town Office at 410-745-9535.
